

ARTHRITIS

Father, my arthritis has been giving me a rough time.
I believe in miracles and I know that You can heal me
with Your miraculous powers of Grace and Good health.
My joints have been inflexible, sore and swollen.
Help me to be more flexible in my daily life and heal
my ailing joints as I continue to seek a closer relationship
with You. Amen.

As you will see below, this prayer was sent to me in an email by my precious
grandson, Matt Howell, who was in a Christian school.

Hi grandma, it's Matt. I am doing a saint project for school and while I
was researching, I found a prayer and wanted to give it to you.

This is the prayer of Jesus' Apostle, James. I hope you will pray this
prayer every night before you go to bed. I can't wait to see you over the
Christmas break!

Your Grandson,

Matt
