## LIGHTHOUSE NEIGHBORHOOD PRAYING MINISTRY PRAYER

(Please join with our Lighthouse Prayer Team Members in praying for the neighborhood and area where you live)

Please be in special prayer for the safety of all our neighborhoods, including the safety of the immediate area surrounding our church. Pray for each and every household and business in the neighborhood where you live. Pray for the spiritual, emotional, and physical health and safety of each and every person living and working in your neighborhood. Pray for everyone whether they are traveling or living and working at home during this time.

Please pray that the power of the Holy Spirit will fall upon all people to open their eyes and hearts that they may see the error of their ways; that they may be drawn into a close relationship with our loving, merciful Heavenly Father and His Son, Jesus. May He show them that He and He alone is the one who gives each of us unconditional love. Praise God that by His grace all who believe, confess our sins and repent are forgiven and saved from an eternity of pain, emptiness and darkness. Pray that all people have someone in their lives who can lead them out of their darkened state and into God's light and love.

Pray for the safety of all military, emergency and security personnel who put their own lives and safety on the line daily to protect and save the lives of others.

Father we seek your divine protection for each and every person in every neighborhood. Show us how to let our light shine brightly on everyone we come into contact with so they may know and experience your grace, peace and mercy. In Jesus' Name, we pray, Amen.
