

VISIT THE ILL

Great Physician, I come to you in the name of Christ Jesus. I exalt You and glorify Your name. I confess my sins and ask Your grace and forgiveness, as I forgive those who have wronged me. I ask for Your grace and mercy to prepare me before I visit this ill person.

Help me to be still and know that You are God. Help me allow Your Holy Spirit to guide and direct me. This person may not read the Bible, but will read me. Let me radiate Your light and love to guide this person to a closer relationship with You as I visit and pray. I pray that I be a model of Your joy and peace. Help me to listen to this person, love this person and pray for this person.

It is written in James 3:17 *“But the wisdom that comes from heaven is first of all pure; then peace-loving, considerate, submissive, full of mercy and good fruit, impartial and sincere.”*

I pray for the wisdom that comes from heaven, that I may be pure, peace-loving, considerate, submissive, full of mercy and good fruit, impartial and sincere. Help me to learn it, live it and share it, to Your honor, glory and praise.

I ask Your help in the name of Jesus and for His sake. Amen.
